

To obtain an access fob and dog park membership

Access fobs (one-time \$10 fee) and dog park memberships (annual \$25 fee) are available at the New Bedford City Clerk's Office for New Bedford residents with licensed dogs. If the access fob is lost or damaged a \$10 replacement fee for a new one will be charged. The New Bedford City Clerk's office is located at 133 William Street, New Bedford and is open Monday through Friday 8am to 4pm. City Clerk's office phone number 508-979-1450.

Please allow 2-5 days for the fob to be activated.

Use access fob

Hold the fob up to the reader. The light will change from blue to green (this is very subtle) and you will hear a click/beep. This is the gate unlocking. The gate will remain unlocked for approximately six seconds. Pull the gate towards you. After six seconds, the gate will relock and you will need to hold the fob up to the reader again.

Issues with access fob?

If you experience any issues with use of your access fob, please call the New Bedford Parks, Beaches and Recreation Office at 508-961-3015.
